Appreciation Letter to Wisely Project Management Consultant

We want you to know that we are very pleased with the quality of service your company provided for the planning and project scheduling in Circle Line Project undertaken by KONE. We sincerely appreciate your responsiveness and the way you support us especially on the submission of project schedules before the deadline.

You rendered your valuable service by coordinating the schedule between KONE and our customer, LTA. The diligence and dedication demonstrated, especially by Simon Tan is impressive on the overall skills and quality.

We have recommended your company to others because of our satisfaction with your service. We look forward to doing business with you for years to come.

Thank you.

Yours sincerely,

Jerry Khoo
Project Manager
